Text of the report:

The Management Board of Inter Cars S.A. of Warsaw (the “**Company**”) publishes a correction to the consolidated Q3 2020 report of the Inter Cars Group for the three months ended September 30th 2020 (the “**Report**”), which was published by the Company on November 16th 2020.

The correction is made because of a typographical error, namely an incorrect amount of income tax liabilities as at September 30th 2020 given on page 4 of the Report – the incorrect amount is PLN 87,428 thousand, whereas it should be PLN 77,748 thousand. The balance sheet total as well as other information and financial data presented in the Report are correct and have not been changed.

In view of the above, today the Company publishes the corrected Report.

Legal basis:

Par. 15.4 of the Minister of Finance’s Regulation on current and periodic information to be published by issuers of securities and conditions for recognition as equivalent of information whose disclosure is required under the laws of a non-member state, dated March 29th 2018.
